2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Liberty Ranch Metropolitan District (District), a quasi-municipal corporation located entirely in Weld County, Colorado, was organized on December 23, 2005, and is governed pursuant to provisions of the Colorado Special District Act. The District was established to provide for construction and financing for street, safety protection, water, sanitation and mosquito control facilities and improvements. The street and safety control improvements will be dedicated to and maintained by the Town of Mead. Water and sanitation improvements will be dedicated to and maintained by the Longs Peak Water District and St. Vrain Sanitation District, respectively.

On November 1, 2005, the District's voters authorized total indebtedness of \$36,100,000 for the above listed facilities and \$500,000 for operations and maintenance. Additionally the District's voters authorized a total indebtedness of \$36,100,000 each for debt refunding and intergovernmental contracts. The election also approved an annual increase in property taxes of \$500,000 without limitation of rate, to pay the District's operation and maintenance costs.

Pursuant to the District's Service Plan, the District is limited to issuing a total of \$18,500,000 in bonds. The District is also limited to a maximum debt service mill levy of 50.000 mills, as adjusted for changes in the ratio of actual value to assessed value of property within the District, pursuant to the Service Plan.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting and in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the Budget.

**LIBERTY RANCH METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 5% of the property taxes collected by both the General Fund and the Debt Service Fund. The budget assumes that specific ownership taxes allocable to property taxes collected by the Debt Service Fund will be pledged to debt service on the bonds during the term bonds are outstanding.

Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 0.35%.

Property Taxes – URA

A portion of the District is located in an urban renewal area. The District mill levy applied to the tax increment portion of the final certified assessed value will be remitted to the District as levied, net treasurer fees.

Expenditures

Administrative and Operating Expenditures

Administrative and operating expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, and banking fees.

Debt and Leases

On February 30, 2021, the District issued its \$13,180,000 Limited Tax General Obligation Refunding Bonds, Series 2021A(3) (Series 2021A Bonds). The Series 2021A Bonds were issued for the purposes of (i) paying and discharging the District's Series 2017A Bonds, 2017B Bonds, and Series 2017C Bonds and (ii) paying the costs of issuance of the Series 2021A Bonds.

**LIBERTY RANCH METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases (Continued)

The Series 2021A Bonds are structured as limited tax “cash flow” bonds, meaning that there are no scheduled payments of principal or interest prior to the final maturity date. Instead, principal on the Series 2021A Bonds is payable annually on each December 1 from and to the extent of Pledged Revenue available. To the extent principal of any Series 2021A Bonds is not paid when due, such principal is to remain outstanding until the earlier of its payment or the Termination Date and is to continue to bear interest at the rate then borne by the Series 2021A Bonds. The Series 2021A Bonds mature on December 1, 2051, subject to mandatory and optional redemption prior to maturity.

The Series 2021A Bonds bear interest at the rate of 5.25% per annum payable annually on each December 1, beginning on December 1, 2022, but only from and to the extent of available Pledged Revenue. In the event interest on any Series 2021A Bonds is not paid when due, such interest is to compound annually on each December 1, at the rate then borne by the Series 2021A Bonds.

If any amount of principal or interest due on the Series 2021A Bonds remains unpaid on the Termination Date of December 1, 2061, such unpaid amount will be deemed discharged.

Optional Redemption

The Bonds are subject to redemption prior to maturity, at the option of the District, on December 1, 2026, and on any date thereafter, upon payment of par, accrued interest, and a redemption premium equal to a percentage of the principal amount so redeemed as follows:

<u>Date of Redemption</u>	<u>Redemption Premium</u>
December 1, 2026, to November 30, 2027	3.00%
December 1, 2027, to November 30, 2028	2.00
December 1, 2028, to November 30, 2029	1.00
December 1, 2029, and thereafter	0.00

The District has no operating or capital leases.

The District has outstanding developer advances pursuant to advances made by LR Investments, LLC under the 2010-2011 Operation Funding Agreement by and between the District and LR Investments, LLC (Developer Advance). Anticipated activity is as follows:
